

SR 529 Snohomish River Bridge Repair: Weekend Closures of Northbound Lanes

The Snohomish River bridges on SR 529 in Everett are more than 50 years old and are eligible for the National Register of Historic places. WSDOT is currently working to preserve history and safety by repairing and replacing the movable parts of the bridges.

This project will ensure that the bridges continue working safely for the 33,000 drivers who rely on them everyday. Crews will also improve safety and access for workers who maintain the structures, which will reduce maintenance costs and save tax dollars. WSDOT expects to wrap up this \$2.1 million project in early 2007.

ROADWAY CLOSURE AND DETOUR

WSDOT and Mowat Construction crews will completely close the northbound lanes of SR 529 at the Snohomish River Bridge the weekends of September 15 and September 22. Crews will remove and replace operating ropes on the drawbridge.

- Access to SR 529 will be closed at Marine View Drive and North Broadway from 11 p.m. on Friday, Sept. 15 to 5 a.m. Monday, Sept. 18 and again from 11 p.m. on Friday, Sept. 22 to 5 a.m. on Monday, Sept. 25.
- A detour route utilizing North Broadway and I-5 will be provided.

We need your help to keep traffic moving:

- Choose an alternate route if possible
- Plan ahead and expect delays
- Sign up for Snohomish County construction e-mail updates at:
